Guidance on Dispensation Requests

A dispensation can be granted on the following grounds to enable a member to speak and/or vote where they would otherwise have a disclosable pecuniary interest:-

1. That so many members of the Council have disclosable pecuniary interests in a matter that it would impede the transaction of the business (i.e. it would otherwise be inquorate).
2. That without the dispensation, the representation of different political groups on the Council would be so upset as to alter the outcome of any vote on the matter.
3. That the Council considers that the dispensation is in the interests of persons living in the Council's area.
4. That without a dispensation no member of the Council would be able to participate on the matter.
5. That the Council considers that it is otherwise appropriate to grant a dispensation.

A dispensation request must be made to the Clerk

It is advisable to submit a dispensation request well in advance of the date of the meeting for which the dispensation is sought and in any event, other than in exceptional circumstances, the dispensation request should be submitted not less than 2 clear days prior to the date of the meeting to which the dispensation request relates.

The following criteria will be considered in determining whether to grant dispensation requests:-

1. Whether the nature of the member's interest is such that to allow them to participate would not damage public confidence in the conduct of the authorities business
2. Whether the interest is common to the member and a significant proportion of the general public; *if this is the case a dispensation is more likely to be granted.*
3. Is the participation of the member in the business that the interest relates to justified by a member's particular role or expertise?
4. Whether the interest is trivial or remote; *if this is the case a dispensation is more likely to be granted.*
